Dear Members,

Well, it's that time again! Your bargaining team will soon be meeting with the district in order to come to an agreement for the 07/08 school year. Throughout the district there are things that can be improved; some by contract and some by just being aware they need attention. The purpose of this letter is to get your input before we go forward. Please take a moment to jot down the things you believe may warrant our attention. These things could be as minor as a lack of landscaping around your campus, or as major as a need for increased security at our sites. If you have an idea of something we can work on, please give us your ideas to be addressed, as well as any solutions you may have in mind.

Your suggestions or requests may be submitted below. If you would like to speak with one of your team members, do not hesitate to give one of us a call.

Thank you in advance for your opinion.

*Danielle Vawter
CSEA President*
