The Yosemite High School Chamber Singers returned from a festival in Anaheim recently with top honors.

The group earned 99.5 points out of a possible 100 to earn a "superior" rating.

The singers received the Esprit de Corps award, which is the top honor of the festival. There is only one such award given and it is awarded for overall general impression, including musical presentation.

The award is determined by everyone who had contact with the groups, from check-in through performance.

Additionally, YHS student Hillary Biasell received an award for Outstanding Soloist for her performance in "I Got a Home in-a Dat Rock."

This was the only soloist award at the festival.

"This is a huge honor for our students," commented Dr. Tony Mowrer, YHS choir director.

The festival was organized by Festivals of Music.
