

## District seeks area residents

(Updated Wednesday, March 8, 2006, 7:28 PM)

The Yosemite Unified School District Board of Trustees is looking for residents who would like to serve on a steering committee to help set direction for the new unified district.

District Superintendent Bill McCabe notes that there will be several Tuesday night meetings between now and July 1.

"This is an opportunity for people to get involved and help establish the new district's direction and priorities," he said.

In addition to community members, district administrators and trustees will be on the committee.

The board approved the formation of the committee at its Feb. 28 meeting.

Anyone who is interested in serving on the steering committee is asked to call Earlene Ward at (559) 683-8801 Ext. 338 and leave the name and daytime phone number. The people will be notified when the first meeting is scheduled.
