Steve passed out an excerpt from the Comprehensive School Plan (Achievement). Student achievement must be the driving force in SIP funded programs. Betsy asked that all members review the student performance data.

SIP Budget Request Form:

Betsy passed out the SIP Budget Request Form for the 2005/2006 school year, and asked for suggestions to improve the form. After some discussion, Betsy suggested "Item 2 – Identify ESLR number" be replaced with "address rationale for meeting school plan/identify ESLR."

The timeline is as follows: applications are due to the SIP Committee by 2/25/05. Late requests are due by 3/30/05.
