

Yosemite High School

SIP Minutes

October 5, 2009

Call to order: Betsy Blum called the meeting to order at 3:14 p.m.

Roll call: Betsy Blum, Dena Boortz, Karen Box, Steve Browning, Ed Van Hoose, Nancy Lusby, Monica Miller, Daniela Moberly, Staci Rolff, Kellie Romine, Tabitha Sanchez and Earlene Ward.

Approval of Agenda and Minutes: Monica Miller moved to approve the agenda for October 5, 2009 and the minutes for September 14, 2009. The motion was seconded by Staci Rolff. The motion was brought to vote and passed unanimously.

New Business:

Presentation of Student Achievement Data: Earlene Ward presented handouts representing 3 years (06-09) of comparison data on CAHSEE, IB, AP, SAT, ACT and CST tests. We are up in some areas and need improvement on others. Overall YHS is competitive in our testing. Steve Browning had a question regarding YHS passing standards verses IB standards. Earlene is going to look into the discrepancy.

Review of Site Goals: We moved into the lab to view Mr. VanHoose's power point on Site Goals. Goals reviewed were, Curriculum & Instruction, Climate & Student Support, Site Achievement, and School Wide Goals. For the 08-09 school year, RTI was implemented and articulation with feeder schools was shifted to Dr. Haggard were the highlights. Mr. Browning asked about the deficiency of the education that the students from Glacier bring with them to YHS and if Dr. Haggard was aware of the problem and who could fix it. Another concern brought by Mrs. Lusby and Mr. Browning was the Geometry Support Class really helping students. Overall some goals were met and others not. We are always continuing to strive for improvement.

Next Meeting: Monday, November 2 2009 at 3:15 p.m.

Adjournment: 4:00 p.m.
